

# 2+2 COLLEGE CREDIT BY EXAM

## **THIS CLASS IS ELIGIBLE FOR MERCED COLLEGE CREDIT 2+2 COLLEGE CREDIT BY EXAM**

### **WHAT IS 2+2 COLLEGE CREDIT BY EXAM?**

You can earn college credit for this ROP class while you are taking it now. 2+2 is the term used for approved classes that provide both high school credit and college credit at Merced College.

### **WHAT ARE THE ADVANTAGES TO 2+2 COLLEGE CREDIT BY EXAM?**

- If you receive credit for this class as a 2+2 you will not have to take it in college. This means you will have a head start on your college units.
- You are learning from your ROP instructor who knows how to coach you to pass the college credit by exam.
- You have the option to decide if you want credit, or no credit, in advance of taking the test, and you can also designate if you receive a certain grade to change your noncredit status to that grade.
- When you pass the exam you immediately receive the college credit, and generate a transcript from Merced College that you can take to any postsecondary institution you attend. You do not even have to attend Merced College to take this credit with you.
- You are assisted with the testing process by your ROP teacher and not inconvenienced by having to go to the college to complete all the forms and sign up for the test on your own.
- You can pay the exam fee at the time of testing.

### **WHO CAN OBTAIN THE 2+2 COLLEGE CREDIT?**

Any student enrolled in this class who completes the course with the required grade and passes the 2+2 College Credit by Exam.
